YPT has been around since 1991 and has engaged thousands upon thousands of young people onstage, backstage or from the audience. Thanks to your generosity, YPT has one of the lowest participation costs in the country and we are able to offer scholarships so that nobody is turned away because of financial need. You are a crucial part of keeping YPT accessible to everybody.

PLEASE MAKE A CONTRIBUTION NOW!

Every dollar makes a difference.

\$15 will pay for one script for one actor.

\$45 will pay for one scholarship for one student to participate in one YPT show.

\$150 will pay for the performance rights for all the performances of this show.

\$500 will pay for all the performance rights for all YPT shows in one season.
