PERFORMANCES
BEFORE REGION V AACTFest '11
Monday, Tuesday & Wednesday,
April 25, 26 & 27, 8 p.m.

Thank you for helping ACT perform
this original show for an audience before
Region V AACTFest '11 in Salina, Kansas.

On April 2, ACT was awarded Best of Festival at the
Dakota AACTFest '11 and advanced to the Region V
festival.

This is the same festival cycle that ACT's "Honk!" (2007)
entered, ultimately sending it to nationals in Charlotte, NC
and the international festival in Japan. In 2009, ACT's
"How to Talk Minnesotan: The Musical" ultimately
advanced to the national festival.

We need your help to raise **\$3,500** to get the "Perfectly
Normal & Healthy" volunteers to this regional festival to
represent Aberdeen and South Dakota.

ACT volunteers have spent many hours entertaining you
and now we need your help to make travel to the regional
festival a reality. Besides being an important educational
opportunity, this festival cycle is a great way to say thank
you to the volunteers who have committed themselves to
entertaining us for years.

**For more information about how you
can help your volunteer cast represent you,
see the back of this program.**

Special Thanks
